Subject: Hillcrest Master Plan
Date: Friday, May 27, 2022 1:44:55 PM

Hello,

I'm writing to encourage council support for the Hillcrest Master plan. I'm grateful for the care that went into this plan, in terms of supporting environmental resilience, economic diversity/affordability, pedestrian right of way, and supporting living wage jobs.

I hope you will vote to support the plan.

Sincerely,
Elizabeth Giffin
