Hello, my name is Richard LEMANCZYKAFKA. I live at 1946 Selby Avenue, and I want to speak to the issue on the Wednesday, May 19th, meeting at 3:30 p.m. regarding the resolution in the mill overlay and Prior Avenue. We think that this is outrageous to charge for a basic road that is used as a highway from Pierce Butler to Summit. There's so much traffic on here that the residents should not have to bear the brunt of that service. The assessment is outrageous. We've lived here for 33 years and have never had to pay anything like this for that type of work. This is absolutely outrageous and it's wrong. It's just outright wrong. I want to find out also how do I access the electronic meeting, and I'm extremely disappointed that there's no one here to talk to.
