Morning,

The medics that responded to that property needed to force the door open in order to gain access to the occupant who was needing assistance. We are unable to provide you with a copy of that medic report as it would violate HIPPA regulations. Board-up was called to secure that door.

Please let me know if you have any other questions.

Thanks.

*Hi Shannon,
The hearing officer is wondering if there is a run report. If so, can you email me that.*

There was no fire at this property. One of our medic companies responded to assist the occupant. At this time, I am unable to give you a copy of that medic report.
