NARRATIVE

"SCMA"

Recently the St. Paul Police Department has responded to numerous reports of groups of male and female juveniles and young adults robbing, assaulting, harassing, threatening and stealing from law-abiding citizens within the Snelling Corridor and Midway area. In addition, officers have responded to numerous criminal damage complaints, large groups gathering to fight, and other acts of intimidation within this area. These violent acts and offenses are occurring on the streets and parks, in and around area businesses, and on Metro Transit property. These acts have caused law-abiding citizens who reside in the area and/or frequent businesses in the area to feel unsafe. Often the victims of these acts are children and adults of a more vulnerable

psychological and/or physical nature. This would include people mentally handicapped, elderly, resigned to wheel chairs, intoxicated, and homeless.

Steps that have been taken to address these actions and offenses include reallocation of citywide police resources to include focused enforcement, bike and foot patrol, plain clothes and uniform presence, increased traffic enforcement, crime prevention techniques, partnering with Metropolitan Transit Police, Minnesota State Patrol and Ramsey County Probation, training residents and business owners, holding Safe Summer Night Picnics and Community Meetings, and utilizing the Department "Ambassador Program".

The Ambassador program consists of non-law enforcement personnel interacting with juveniles and young adults throughout the city. This interaction is an effort to educate the juveniles and young adults about conduct, personal safety, and remaining law abiding. In addition, the Ambassador program helps connect the juveniles and young adults with tutoring, social services, counseling, mentorship programs, and employment opportunities.

While the Department has taken numerous steps to reduce the amount of violent criminal behavior, not just within the Snelling Corridor Midway Area (SCMA) but citywide as well, the accompanying reports concern the following....."

On 09-15-16 Officer's Hughes, Ludvik and I conducted a compliance check at 1553 University Ave (Hot Rods Bar). Officer Hughes and I entered the front door of the establishment. We walked to the bar and were met by the only bartender a white male tall, skinny with long hair and goatee appx in his 50's. I ordered a bottle of Coors' light beer and Officer Hughes ordered a bottle of Mich golden beer. We sat at the bar for approximately 5 minutes. I stood up and walked to the back of the bar to the rear exit past the bartender holding my open bottle of beer. I continued to walk out the back entrance/exit to the bar which was propped open. I walked out into the rear parking lot of the bar and into the alleyway.

I stood outside the bar and waited to see if the bartender would confront me which he did not. I then returned back inside the bar and into the bathroom. I exited the bathroom and walked past the bartender and sat back in my seat next to Officer Hughes. The bartender did not say anything to me. Officer Hughes and I, a short time later, left the establishment out the front door.

Officer Ludvik took photographs of me leaving the bar with the open beer and in the alley.
