**Subject:** 1181 Edgecumbe Appeal

All,

I inspected 1181 Edgecumbe on 6/30/20 and met with Ms. Keintz.

She has made significant progress in both her units. I advised her that I was lifting the condemnation and that I would give her an additional 30 days for compliance. Currently, she only needs to remove about 15 to 20% of stuff in the units to be fully compliant. The units are clean and orderly, just a lot of stuff. I let her know if she still wanted to go to the appeal, she could.

I have not been able to put these notes into AMANDA because I currently cannot use VPN access.
