The Big 5 Evil Deeds by selfish and corrupt Government Officials.

1. Our 1<sup>st</sup> President, George Washington, ousted the American Indians from his Mount Vernon Plantation and replaced the Indians with 300 slaves . . . both the Indians and the slaves lost their freedom. Also, President Thomas Jefferson had slaves.

2. From about 1936 to 1940 Hitler ordered 400 new anti-Jewish laws to steal the Jewish Freedom source google facts (see attached).

3. About 1862, Alexander Ramsey, the First Minnesota Territorial Governor and Minnesota Governor wanted the fertile Indian land in Southwest Minnesota. Ramsey broke the Indian Treaty by denying food and blankets to the Indians . . . forcing the Indians from their priceless ancestral lands and sent the Indians to a South Dakota Reservation. The Indians lost their land and their freedom. Many Indians lost their lives.

4. The current St. Paul City Council is presently stealing the Citizens Freedom of choice by forcing everyone to pay a "Trash Tax" for trash removal. About 6,000 City Taxpayers have refused to pay the City Endorsed WASTE MANAGEMENT Trash Contractor. The freedom loving stpaultrash.com has a lawsuit against the City of St. Paul to protect our "Freedom of Choice" so the Citizens can choose how to manage their trash without interference by the City Council.

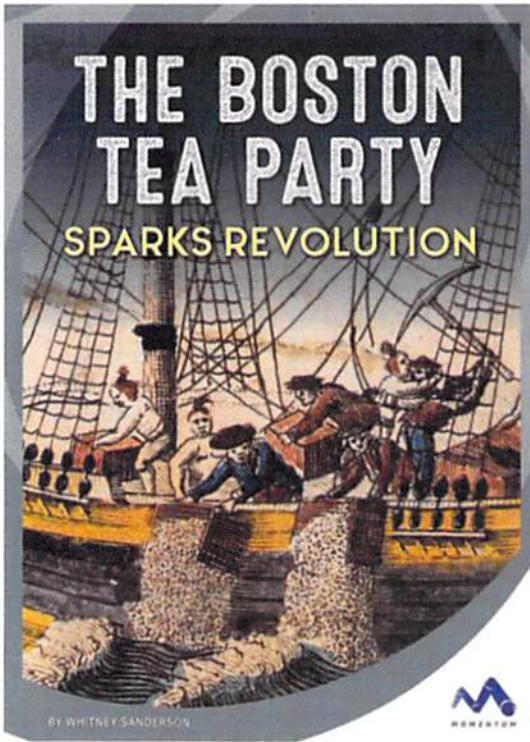

5. The City uses the homes of the Citizens as their credit card . . . by raising property taxes and forcing the Citizens to pay higher taxes . . . and another freedom is stolen by the government.

Any St. Paul Citizen who reads the aforementioned is welcome to join our Class Action Suit against the City: a complimentary \$10 donation by 6,000 members would raise \$60,000 to fund the Class Action Suit to protect our freedoms. We are starting a 501c3 non-profit organization so your donation will be tax deductible.
