RE: First Student Inc., 80 Arlington Avenue East

The District 6 Planning Council's Land Use Task Force met June 26, 2012 with the applicant regarding an application for a gas station to be located at 80 Avenue East. The Task Force recommends the license as well as the recommended license conditions.

However, District 6 also recommends including; buses are to only use Trout Brook Circle as ingress and egress and all employee and any related vehicle traffic is to use the Arlington Avenue gate, not the Jackson Street entrance as additional conditions.

Thank-you for your consideration and if you have questions, please contact the office at the numbers above.
