Hi Everyone,

I've been a Lowertown res for 16 years and love all the exciting improvements, particularly in the past few years.

It's becoming quite a destination for eating, etc. And it's only the beginning of what is on the way. I'm thrilled to be in the midst of it all.

I'm truly looking forward to the new Ballpark's opening, but would like you all to take a breath and be mindful of this all important project.

The Gillette Bldg. has be an eye soar, but the new ideas/possibilities that have presented, appear to be worthwhile to consider.

So I'm asking that everyone involved take a closer look and discussion is truly warranted.

Thank you,

Laurie Lapore
