Subject: Highland development

Dear Councilmember Stark:

I write to ask you for your support of the proposed mixed-use development at 735 Cleveland Avenue South. This is a critically important project that would benefit Saint Paul. This project is an example of the kind of investment that we want in Saint Paul. It is a mixed-use development that offers new housing amenities, increased commercial opportunities, and will expand Saint Paul's tax base. I ask that you reject the appeal and allow this important project to move forward.

With the Ford Plant redevelopment in the not too distant future, this project will enhance the vibrancy and support the economic development of Highland Park and the city of St Paul.

Thank you.
