Dear Mr. Fischbach:

On behalf of the Dayton's Bluff Community Council and Its Neighborhood Development Committee, we are pleased to offer this letter of support for owner Balmour Paiz and La Mananas Restaurant located at 798 E. 7th Street. We support the outdoor liquor service as well as a waiver of the 45 day public notification wait period. Manna will soon complete an expansion of his longstanding family business, and we believe that a liquor license will help to increase sales and provide even greater opportunity for economic development along E. 7th Street.

Thank you for your consideration.

Respectfully,

Lissa Jones – Lofgren
Executive Director
