Re: Remove or Repair of the Structure at <u>1117 Jenks Avenue</u>

Dear Interested Parties:

This is to confirm that at the Legislative Hearing on April 11, 2023, Legislative Hearing Officer Marcia Moermond will ask the City Council on April 26, 2023 (please note this is a different date than the one discussed in the 4/11 hearing as the Councilmember for this ward is unavailable for a briefing prior to the hearing) to refer the matter back to Legislative Hearing on Tuesday, July 11, 2023 at 9:00 am in room 330 City Hall/Court house for discussion of success of your nuisance mitigation plan.

For your reference, the following items will (eventually) need to be completed before receiving a grant of time from the City Council to rehabilitate the property:

- 1. submit evidence of financing sufficient to complete the rehabilitation. Staff estimates costs to exceed \$50,000. If total for bids are more than 20% less than staff estimate, a high level of detail will be required. Financing could be business or personal accounts, a line of credit, or construction loan. Other types of financing will be reviewed on a case by case basis:
- 2. submit an affidavit indicating the finances will be dedicated to completing the **project** and not diverted until a code compliance certificate is issued; and
- **3. submit work plan, sworn construction statement, or scope of work.** This should include **signed** subcontractor bids and a **schedule** for completion of the project; and
- 4. the property must be maintained.

If you have any questions, please contact me at 651-266-8585.

Sincerely,

/s/

Joanna Zimny Legislative Hearing Executive Assistant
