

## Golf outing a big hit with utility staff

Joe Moy tees off during the golf outing for SPRWS staff on July 17 at the Phalen Golf Course in Saint Paul. More photos page 2.

Fifty people competed in a two-person scramble golf tournament for utility staff held on July 17 at the Phalen Golf Course.

John Rue and Tom Murphy were the winners of the 9-hole contest, with a score of 34.

The 5 p.m. shotgun start was facilitated by Kathy Travis and Dolly Ludden getting everyone signed in.

Joe Moy, Derek Olson, and Dennis Rosemark coordinated the event.

## Business division manager sought

SPRWS is recruiting for its next business division manager who will be involved in a number of exciting new initiatives to provide substantial upgrades to infrastructure critical to the supply and treatment of drinking water, including the construction and startup of a brand new water treatment facility.

SPRWS is seeking an expert level professional to play important roles in moving these initiatives forward. We also offer an equitable and inclusive workplace, competitive wages, and a variety of excellent benefits.

Here's what you can expect to do in this role:

- Perform expert level managerial and administrative work directing the operations of the business division.
- Provide strategic leadership and management for the division.
- Develop divisional policies and budget.
- Oversee employee staffing, development, performance management and measures, training, discipline, and related human resources activities for the Business Division.
- Act as chief financial officer responsible for oversight of the SPRWS budget and utility services to include rate and debt structure.
- Monitor and communicate

budget considering spending status to administration, distribution, engineering and production divisions.

- Manage and develop service agreements; perform rate and other performance measure management analysis.

### Requirements

- A bachelor's degree in accounting, business, civil engineering, natural sciences, communications, finance, mathematics, management information systems (MIS), business administration, or public administration.
  - Must have or complete twelve bachelor's degree level semester credits in accounting, economics, or finance within twenty-four months of appointment.
  - Must have a minimum of eight years of employee development, project management, planning, or budget experience.
  - Must have four years of increasingly responsible supervisory and managerial experience.
- No substitution for the bachelor's degree. No substitution for supervisory experience.

For more information, contact Michelle LeBow at 651-266-6519 or email at [jobs@stpaul.gov](mailto:jobs@stpaul.gov)

Apply online at [stpaul.gov/jobs](http://stpaul.gov/jobs) before midnight on August 14.

## Golf outing a big hit with utility staff

Top, Justina Ross, Holly Overton, Xue Vang, and True Johnson made up a foursome on the course. Bottom, Aaron Atkins, George Moy, Gordon Carney and Tom Courteau were another set of four out of the 50 golfers who took part on the golf tournament on July 17.

## Distribution and retiree get together

Water utility distribution staff and retirees can gather together on Friday, Sept. 8 starting at 4 p.m. at the B-Dale Club.

The gathering will be different than in the past as there will be no official picnic, just a chance to socialize in the picnic area.

Food and beverages will need to be purchased on your own.

The B-Dale Club is located at 2100 Dale St N.

The event is being organized by retirees from the distribution division.

Retirees gather at last year's picnic.

## Schuster starts as an accountant I

Darcy Schuster started work for the water utility as an accountant I on July 17.

She is located across from Connie Garrahy in the finance section on the first floor.

Please welcome Darcy to the water utility.

Darcy Schuster

## Utility staff earn promotions in July

Five utility employees were promoted as of July 15.

Herman Audett started as a water service worker-control desk.

Collin Hartough, Jonathan Kirk, Jon Rue, and Jarrett Stodieck are all now water system workers.

Please offer your congratulations to all of these workers.

Herman Audett

Collin Hartough

Jonathan Kirk

Jon Rue

Jarrett Stodieck
