Council,

I want to write regarding sheriff Bob Fletcher. And I want to urge you to keep an eye on the man and his conduct. He spends evenings playing cops and robbers on Facebook live and days bellyaching about his budget. This is the guy who over saw the hamfisted segregation of Ramsey county jails on behalf of murderer Derek Chauvin. This is the guy who didn't show up for his own budget hearing at the commission. This is the guy who almost ran over someone on live camera. This is the guy who spent the first half of his political life on an antiLGBTQ crusade.

I'm tired of watching him careen around the city and whine like a child in the pages of the PiPress. The county commission has failed to let any hot air out of him. Perhaps you all can find an angle.

Thank you,
Tom Basgen
