THE FIREPLACE GUYS (TFG)

ONE-YEAR LIMITED WARRANTY ON PARTS & LABOR:

TFG provides a warranty to the original purchaser of new products against defects in materials and workmanship for a period of one (1) year of normal consumer usage. This warranty is not transferable. If the Product covered by this warranty is determined to be defective within the warranty period, TFG will, either repair or exchange the product at its sole option and discretion.

Repair: Parts & Labor

There will be no charge for parts or labor to repair a Product for a "covered defect" during the warranty period.

Remaining Warranty

Repaired or exchanged Products are warranted for the remaining portion of the Product's original one (1) year warranty or for ninety (90) days whichever is longer.

Exclusions

This warranty does not cover:

- Abuse, misuse, accidents or acts of God
- Improper voltage supply or surges
- Modifications or alterations
- Any tampering or repairs attempted by anyone other than by TFG authorized technicians.

In addition to the exclusions listed above:

- **PILOT-LIGHTS:** TFG does not include as a "covered defect" pilot-lights going out due to wind, inadequate gas supply or any other unforeseen natural or man-made event; therefore, it is not covered under the one (1) year warranty.

Limitations

There are no express warranties other than those listed or described above.
