ORDINANCES

An ordinance is a city law enacted by the City Council. It is read at four separate council meetings and becomes effective after passage by the Council and 30 days after publication in the Saint Paul Legal Ledger. Public hearings on ordinances are held at the third reading.

Final Adoption

16 [Ord 19-14](#)

Amending Chapter 409 of the Saint Paul Legislative Code establishing additional criteria for applicants to the charitable gambling eligible recipients list established under Section 409.235.

Councilmember Noecker thanked Councilmember Prince for co-sponsoring, and St. Paul Youth Services for their work. She said she felt the recommendations from St. Paul Youth Services would improve the list and help align resources to help those kids and families most in need. She said questions and ideas were raised the previous week about the fund itself and about the process and the system, and many of those could be discussed and considered going forward without being included in the ordinance language. She said the organizations currently on the list would remain on the list for a full year, which would give them time to adjust to the new requirements.

Councilmember Tolbert thanked Councilmember Noecker for her work on the ordinance and said he agreed with the sentiments but felt it was premature to vote. He asked for a one-month layover to contract current recipients so they could be part of the conversation. He moved to lay the matter over to April 17, and asked that parks and DSI staff facilitate a meeting with current recipients.

Council President Brendmoen said she would support a layover but fully supported the goals of the ordinance. She said after looking at the list of current recipients she would be curious to know how it was determined that the list wasn't serving St. Paul kids or kids in poverty, and she wondered whether there was a problem with the current list. She said she would like to get a better understanding of the City's role in the origins of the 10% Club.

Laid over to April 17

20 [RES PH 19-62](#)

Approving the application of Keg and Case Park LLC for a sound level variance to present live amplified music in an enclosed tent on Saturday, March 16, and Sunday, March 17, 2019 at 928 7th Street West.

Milne Kintner (900 7th Street West) said she believed any sound level variance granted would be a hardship and precedent that would be difficult for the residential building and neighborhood. She said Keg and Case had been a good neighbor but a demanding neighbor; she noted problems with traffic and smoke particulate in the air. She shared a negative experience she'd had with a loud music performance at the Como Pavilion.

Councilmember Noecker said she appreciated the testimony, and agreed that Keg and Case had been a good neighbor and had been trying to alleviate some of the conditions with the smoke and with parking and traffic issues. She said she understood the concern about precedent-setting, but didn't think it made sense to preemptively deny a variance for an event that hadn't had a chance to prove itself yet. She said a sound level variance was required in St. Paul for any amplified sound at all, and this was a relatively low request. She asked Ms. Kintner to stay in touch about how it went, and said she would commit to working with Keg and Case to address problems. She moved approval of the variance.

Council President Brendmoen said there was an event at the Como Pavilion, early on with a new entertainment and music venue, with an act that was very loud. She said it was a new experience for them and they learned how to adjust the directionality of the sound. She noted that this variance was for an enclosed tent. She said she would support the variance.

Councilmember Thao noted that the map of the site showed the speakers would be directed towards West 7th Street and away from the Lofts. He said he believed it was worth giving the event a try, and that data could be collected and adjustments made if necessary during the event and next year if they applied again.

Council Meeting Information

The City Council is paperless which saves the environment and reduces expenses. The agendas and Council files are all available on the Web (see below). Council members use iPads to review the files during the meeting. Using the iPad greatly reduces costs since most agendas, including the documents attached to files, are over 1000 pages when printed.

Web

Meetings are available on the Council's website. Email notification and web feeds (RSS) of newly released minutes, agendas, and meetings are available by subscription. Visit www.stpaul.gov/council for meeting videos and updated copies of the agendas, minutes, and supporting documents.

Cable

Meetings are live on St Paul Channel 18 and replayed on Thursdays at 5:30 p.m., Saturdays at 12:30 p.m., and Sundays at 1:00 p.m. (Subject to change)
