The District 1 Community Council was contacted by a representative from the sale of Sun Ray Lanes to Triple Shift Entertainment, LLC. We were informed of the sale, and told that there would be no changes in the current business operations of the bowling alley.

The group is requesting a waiver on the 45 day waiting period for the transfer of the liquor license. This was discussed amongst the Land Use Committee Chair and the Executive Director, and District 1 does not have issue with the proposed waiver of the waiting period.
