To Whom it may concern:

Liquor Outdoor Sidewalk Petition
Entertainment B Petition

I Judy Delgado went to the neighbors
Five times between May 25, 2018 -
June 25 2018 for extra signatures
to support my petitions. I got an extra
21 signatures. I believe I made a good
faith effort and fulfill the petition
requirements for both petitions. Additionally
I believe the petitions showed a general
favorable disposition from the surrounding
community towards the licenses.
