Dear Board of Commissioners:

Enclosed for your review is the proposed Housing and Redevelopment Authority (HRA) budget for fiscal year 2021. The proposed budget includes HRA operations, development investments, parking system operations and debt service. The total proposed 2021 fiscal year budget for the HRA is \$58.7 million and includes the following one-time proposed investments:

- \$1.7 million for business assistance targeted to businesses impacted by the civil uprising and for strategic business supports to survive COVID-19 and thrive thereafter
- Business technical assistance investments of \$250,000
- \$250,000 for a new Small BIPOC Developer Growth Program
- Investments of \$460,000 to incentivize supportive housing development for unsheltered residents
- \$200,000 to complete the development and launch of an investment database to ensure necessary tracking and compliance
- A \$15,000 contribution toward a wetlands inventory and strategic plan needed to ensure that we retain key natural assets while facilitating development
- \$25,000 to invest in new methodologies for community engagement in the context of a pandemic, ensuring that representative voices drive policy decisions

The HRA has played a pivotal role in building the economic base of the City of Saint Paul, increasing access to living wage jobs and quality, affordable housing, and investing in building community wealth. In the past year, the HRA has invested in job creation and tech job scholarships through the Full Stack program, retained Naturally Occurring Affordable Housing (NOAH), dedicated resources to deepening homeownership affordability through a Community Land Trust model and a down payment assistance program, and provided \$4.1 million in grants to 1,265 families and 380 small businesses impacted by the COVID-19 pandemic using a combination of CARES Act funds and philanthropic donations.

Given the significant impacts to Saint Paul residents and businesses due to COVID, there is no increase proposed for the HRA property tax levy for 2021. The proposed HRA property tax levy for 2021 is \$4,547,359, which is the same levy as 2020 and represents 89.6% of the maximum amount allowable by State law. We have identified strategic reductions in operating and capital expenses and areas where we can increase revenues that will allow the HRA to make continued investments in community wealth and to maintain core operations and programs through 2022.

The proposed HRA budget aims to continue meaningful investments in housing stability, job growth and building community wealth toward a truly just and equitable Saint Paul. I look forward to working with you to further refine the 2021 HRA budget to reflect the Commission's priorities.

Sincerely,

Nicolle Goodman  
Executive Director
