Subject: Class A Entertainment License Application - 1199 Phalen Park Liquor - Richard Yannarely

Dear Legislative Hearing Officer:

The Payne Phalen District Five Planning Council Board of Directors has reviewed the License Application for a Class A Entertainment License and has voted to reject this application. The applicant was unable to attend the CPED (Land Use) meeting on October 2, 2012 and was again unable to attend the October 23rd, 2012 Board of Directors meeting. The applicant did send a business representative to the Board meeting. The representative was unable to answer all of the Board's questions regarding this application. The applicant will be sent a letter with all remaining questions from the Board.

After receiving a response - the District Five Planning Council may be open to negotiating conditions on the license.

At this time, the District Five Planning Council Board position is to reject the application.
