**RE: Pending Auto Repair Garage Permit ID# 201500002227**

Dear Mr. Vang:

In 2015, you submitted to the Department of Safety and Inspection (DSI) an application for an auto repair garage license at 44 Acker Street E. The license application review has not been completed because you haven't submitted the requested site plan review application.

You are hereby being notified that you must submit the enclosed site plan review application no later than June 23, 2017 if you still intend to operate an auto repair garage at this location. Please, contact Larry Zangs, DSI Inspector in the Zoning Division at 651-266-9082 or [Larry.zangs@ci.stpaul.mn.us](mailto:Larry.zangs@ci.stpaul.mn.us) for any questions regarding this process. Be advised that DSI Licensing Division cannot continue processing your license application until you have obtained site plan approval.

If you have any questions about this letter, please contact me at (651) 266-9014 or [yaya.diatta@ci.stpaul.mn.us](mailto:yaya.diatta@ci.stpaul.mn.us).

Sincerely,

Yaya Diatta  
DSI Inspector
