Hello Mr. Rodriguez,

You attended a Legislative Hearing back on June 17, 2025 and the matter was continued many times to see if we can access old records for the clean-up. At that time the hearing officer recommended reducing the assessment from \$389 to \$169 if no same or similar violation. To date, we are still lacking documentation; therefore, at today's City Council meeting, the recommendation will go to Council for deletion. No need to attend.
