11/19/2010	<a href="#">10 925371</a>	Resolved	CS - CSO Complaint - Parking - FYI - No Response Required	There is a guy who drives a green Ford. I don't know the car model, but the license plate is 594-AYR. Mon/Wed/Fri, between 11-noon, the University of St. Thomas has class sessions, in which I'm certain he attends, because he always parks his car on the street, just outside of the parking zone (as in, just past the sign that says "no parking here to corner"). I see his car there 80% of the time (MWF 11-12), and I think I've only seen him get a ticket once.
