PETITION Consent for an Intoxicating Liquor Establishment

LC409.06(n) *License near church or school.* No license, except an on-sale wine or intoxicating malt liquor license issued to a restaurant as defined in section 409.15, shall be issued for any premises located within three hundred (300) feet from any public or parochial school, church or synagogue, said three hundred (300) feet being calculated and computed as the distance measured from the property line of the premises or building proposed as the location for the liquor license to the property line of any school, church or synagogue in the area for which the license is sought.

Any licenses in force and effect on November 10, 1962, the location of which license is in conflict with the provisions hereof, may be renewed, transferred or otherwise dealt with in accordance with law, it being the intent of this paragraph that it be applied prospectively for proposed locations of licenses, and further it being the intent of this paragraph that the limitations set forth in this paragraph shall in no manner be applicable to any hotel or motel. Upon written petition signed on behalf of the school, church or synagogue located within three hundred (300) feet of the proposed location of the license, the council may by a five-sevenths vote disregard the provisions of this paragraph insofar as location adjacent to a church, school or synagogue of a proposed license is concerned.
