Greetings!

I wish to add my concerned voice re: The Lamplighter, 160 LarpenteurAve. W. We do not consider this establishment as good neighbors.

We will go out of our way to not walk past the Lamplighter so we don't have to see the trash or the used prophylactics lying about. This has nothing to do with any moral objection, but frankly, the sole purpose of such an institution is the profit to be gained from the exploitation of women. There has been violence at the Lamplighter in the past, and if you renew their license, there will be more of it in the future.

Respectfully,
