To whom it may concern,

I am writing in complete support of the project @1946 Wellesley Ave. We live 2 doors down from the Nelsons and have been neighbors for > 5 years. My daughter babysits for their kids. Our kids play together. My point is that we are all part of a neighborhood family. The Nelson's project WILL NOT be outside of the look or feel of the neighborhood. Their house will fit right in to the neighborhood. The Nelson's care about maintaining the look and feel of the neighborhood. Their kids go to school in this neighborhood and Mindy grew up in this neighborhood. They are lifers :)
Again, please accept our support for the project at 1946 Wellesley Ave.
