Dear Applicant:

Our review of your application for a license is in process. Notification has been sent to the community organization and neighbors for the area in which you intend to operate giving them until **Friday, June 8, 2018** to voice any objections to your license application. If approved by the Council, your license could be issued (pending any requirements not met).

If objections are received a hearing will be scheduled before a legislative hearing officer. Only licensed trade contractors authorized to perform work in that trade (e.g., plumbing, electrical, ventilation, etc.) may obtain permit(s) and/or perform work in such trade.
