Subject: Appeal for property at 363 Hawthorne Avenue East

Legisative Hearing Officer Marcia C.
Moermond

November 23rd 2012 ,

The Camper in question has just been towed off the property; it was given to a salvager for its removal.

I was able to salvage the stove, refrigerator, power converter, water holding tank and pump, water heater, and furnace that I intend to use in the 1954 REO Civil Defense rescue vehicle's conversion if I am allowed to keep the truck.

Sincerely, Steven Peck
