### The largest selection of used tires in the Twin Cities metro area (hwy 280 & como ave)

I have over 15,000 used tires in stock now. so if you need just one tire or 1,000 we have it covered also we are trying to make room for the 1500 truck tires we just got in stock so the prices we are letting these things go for is the lowest in town so call me or just stop down to 2554 como ave NE st paul mn 55108
