Subject: RE: Site Plan Compliance

Hello John,

As we have not received a response from you regarding violation of site plan 07-145589, I am setting a deadline of August 31st for all work to be completed and for you to come into compliance with your original site plan. I will arrange for an inspection the first week of September, 2015.

Failure to make improvements to your property will result in our office pursuing adverse action. I have included a copy of your license group conditions for your reference.

Please let us know if the work is completed before then so we can resolve this issue in a timely manner.

Thank you,

Leah Bartizal
