You don't often get email from markthieroff@icloud.com. [Learn why this is important](#)

Dear Councilmembers,

My name is Mark Thieroff, and I live at 1438 Chelmsford St. Not only do I enthusiastically support the common-sense amendments to the T Districts recommended by the Planning Department and Planning Commission, I would also like to see the City Council officially direct the Planning Commission to expand T-Districts more broadly throughout the city.

Thank you.

Mark Thieroff
