**Subject:** Fwd: 1043 Wakefield survey  
**Attachments:** Wakefield survey.pdf

attached is the survey for 1043 Wakefield Ave. showing the chain link fence on the property of 1039 Wakefield. The retaining wall in question is located 12-18 inches further on the 1039 side of the property line. The pictures I sent earlier show the chain link fence and the retaining wall. Please let me know what else you need.

Thanks,

Callan Crawford
