Mr. Mulugeta –

This e-mail serves to notify you that it has been recommended by the Legislative Hearing Officer, that a Fire Certificate of Occupancy inspection be completed prior to the legislative hearing date scheduled for March 24<sup>th</sup>, 2015. This will help determine what work has already been completed, prior to the hearing addressing the Order to Vacate and the Vacant Building Status.

Please feel free to contact the Appeals Line with any questions, at (651) 266-8585.

Thank you.
