## Narratives

<b>Narrative 1</b>	Created by: <b>CHA, NOUSHUE (111999)</b>	<b>12/27/2024, 00:26</b>
<b>Synopsis :</b> <p>On 12/26/2024 at approximately 2048 hours, officers responded to an accident involving a squad car. Case under investigation.</p> <b>Narrative :</b> <p>On 12/26/2024 at approximately 2048 hours, I, squad 170 (CHA), responded to officers fighting with a suspect. As I was responding, I heard an officer stated he was involved in an accident over the radio. A short time later, the officers gained control of the suspect and I advised dispatch to send me the squad accident incident.</p> <p>Upon arrival, I noticed glare ice on Edmund Ave and Griggs St roundabout. I was traveling eastbound on Edmund Ave from Syndicate St to 1218 Edmund Ave. As I stepped on the brakes, my squad car was sliding forward before coming to a complete stop. Officer MENDEZ's squad car (23812) crashed into the front of 1218 Edmund Ave. I observed squad 174 (ALBERTO MENDEZ, DOB: 08/05/1997, 367 Grove St, C/P: 651-291-1111) sitting in the front steps of 1218 Edmund Ave. Squad B592 (TSCHIDA) applied a tourniquet to Officer MENDEZ's right leg. Officer MENDEZ sustained an approximately 1x1 inch laceration near his right knee. Officer MENDEZ was transported to Regions Hospital by SPFD (Medic#18, Run# 64782). It appeared the Officer Mendez's squad car slid onto the sidewalk, making impact with a small black fence and colliding into</p>

the house.

I spoke with the homeowner, CHALA TAYE AMENTE (DOB: 10/20/1980, 1218 Edmund Ave, C/P: 651-246-9452). AMENTE stated he was sitting in the living room with his children watching a movie. AMENTE then heard a loud bang and noticed his wall was broken. AMENTE said he went outside and saw a St. Paul police squad car had crashed into his home. AMENTE advised me no one was hurt during the time of the crash.

I handed AMENTE a business card with the case number on it.

SGT MATSEN was advised about this incident.

I took photographs of the incident. All the photos were later uploaded into Axon.com.

See other reports for further information.

Nothing further at this time.

### Narrative 2

Created by: **MATSEN, MICHAEL (448500)**

**12/27/2024, 00:14**

#### Narrative :

On 12/26/24 at approximately 2048 hours I, Sgt. Matsen (squad 108) was made aware of a squad crash at Edmund and Griggs involving squad 174 (Mendez). Prior to the crash the officer involved was responding to an officer needs help call a few blocks to the East of the crash location.

While responding I heard an officer had requested medics to the scene and air that a tourniquet had been applied. Once I arrived on scene, I observed squad car #23812 in the front yard of 1218 Edmund. It appeared the squad had crashed through the front yard fence and came to rest against the front of the house. I observed officer Mendez sitting on the front steps with assisting officers attending to him. It was a single car, squad crash into the house. Officer Mendez had a tourniquet applied to his right leg. I asked officer Mendez how he was injured? He stated during the crash impact something jabbed into his right leg near his knee. He later told me he thought it could have been the laptop computer mount. I observed a deep laceration to his right knee area that was bleeding. I asked him how the crash happened? He told me he was responding to the officer help call near Edmund/Lexington. When he was traveling through the intersection of Edmund/Griggs at the roundabout he lost control on the icy street. The loss of control sent his squad car into the front yard at 1218 Edmund stopping when it collided with the house. I observed the intersection, and streets were very slippery with black ice conditions due to the thaw and refreeze happening.

I checked inside the struck house to ensure there were no injuries inside and assess the damage. The impact damaged the exterior wall and interior wall with insulation exposed in the front living room. SPFD examined the interior and exterior of the house and determined there were no chemical/gas leaks and the damage was not structural. Medics transported officer Mendez to Regions. I had officer McManus escort in the ambulance to take possession of officer Mendez's

equipment. Officer McManus and Benner assisted officer Mendez until he was cleared at the hospital. Officer Cha took photos at the scene and spoke with the homeowner. Officer Cha wrote the state crash report.

910 advised that the crash scene would be mapped and reconstructed by the SPPD crime lab who would be responding. I remained on scene until Sgt. Dagenais arrived. Officer Mills remained at the scene with the crime lab until they finished to complete the vehicle tow to PSG.

I did not review the ICC to squad 23812 as it was still at the scene when this report was written.

First report of injury paperwork was completed for officer Mendez. See related reports for further
