Hi Joanna and Marcia -

Thanks for your letter. I would be happy to participate by phone, but if my understanding is correct, and we do not need to attend if we agree to the recommendation I will opt out. If you need to reach me for clarification my cell phone is 651-402-2118.

Thanks much to all, and we look forward to passing our certificate of occupancy inspection in the very near future!!

Best,

Carol

Attached please find a letter regarding the above matter.

Please note should you wish to attend the May 5 Legislative Hearing that due to the pandemic these hearings are being held by phone. If you wish to attend via phone please let me know the best number to reach you (or any other parties who may wish to attend). As noted in the letter, it is not necessary for you to attend this hearing unless you wish.

Thank you,

Joanna
