We are opposed to a Gambling License at the Holliday Inn. During busy times their parking lot overflows onto both Suburban Ave. and Burns Ave. Some cars park as far as 3 blocks away and on both sides of the street. This causes noise and leaves residents no place to park. The Head Start School and the Phoenix House (disabled men) often have emergency needs and it would be difficult for an ambulance or Fire Truck to get through when cars are parked on both sides of the street.

Please deny this license.

Thank You
