INCIDENT REPORT

SAINT PAUL POLICE DEPARTMENT

I read [REDACTED] the Miranda warning word for word and pausing at each right to ask if she understood her rights, which she stated, "Yes," to each right. I then asked if she was willing to speak to me about what happened today, she stated, "Yes."

[REDACTED] stated that she and her friends were looking up haunted places and learned that 276 Exchange St S had a good ghost to investigate. I asked her who threw the rock to get inside the building, she stated that no one threw a rock to break a window. I asked [REDACTED] where she got the green tag keys from, she stated from the green platform tractor that was parked in the lot and that she wasn't going to take them or was gonna use the equipment. [REDACTED] stated that her and her friends were being dumb teenagers to trespass into where they didn't belong. I asked [REDACTED] who I can get in contact with and she stated her mother, [REDACTED] of [REDACTED].

I attempted to call [REDACTED] three times but the the line never rang or let me leave a voicemail. Officer Heuer advised me that we would be charging all parties with MISD Trespass and MISD Criminal Damage to Property. Officer Heuer also advised us to verbally trespass all parties.

I went back to my marked patrol squad and advised [REDACTED] that she was trespassed from 276 Exchange St S for one year (05/27/2024 - 05/27/2025) at that if she comes back within that time she could be arrested for trespassing. [REDACTED] stated she understood. I had [REDACTED] exit the back of my squad removed the handcuffs from her wrists and drove her to her vehicle at a parking lot near 313 Sherman St.

I added the 2009 Blue HOND PILOT [REDACTED] SPORT UTILITY VEHICLE, that [REDACTED] was driving to the call.

business and there was a broken window on the southeast corner. I arrived on scene and assisted Officer Heuer with calling 5 juveniles out of the broken window. All 5 juveniles were ordered to prone out on the platform just outside the broken window. All the juveniles were compliant and were detained in handcuffs.

I took one of the juveniles and put him in my squad car (2366). I identified him as [REDACTED]. [REDACTED] stated that him and his 4 friends had learned that Forepaugh's Restaurant is supposed to be haunted. They all met up in Cottage Grove, MN before driving to the restaurant in a single vehicle. All 5 juveniles are from Cottage Grove. [REDACTED] stated the window was already broken when they got to the restaurant. He stated the 5 of them entered the building and were exploring inside when officers arrived on scene and called them out.

There were rocks just inside the broken window along with wet footprints from the juveniles. With the findings on scene along with the report of the complainant, it is believed that one of the juveniles broke the window. However, they all deny breaking it.

I contacted [REDACTED] mother, who was identified as [REDACTED]. I informed her of the situation and asked her if she would come to St. Paul to pick up [REDACTED]. [REDACTED] drove to St. Paul and [REDACTED] was released to her. I provided [REDACTED] with a business card and a case number.

Synopsis :

Supplemental Report

Narrative :

On 05/27/2024 at approximately 0447 hours Officer Heuer and I, Officer Z. Moore (Squad 210) responded to the area of Irvine Park for the report of a suspicious call where the caller woke up to the sound of glass breaking and someone prying on something.

The caller, McCormick, Keith Allen (DOB/1948-08-06, C/P: 651-224-0678, Address/ 30 Irvine Park) woke up around 0430-0445 hours to the sound of the breaking glass. The caller did not see anything but only could hear the sounds. The caller also stated that the sound of breaking glass sounded as if it was coming from "Forepaughs" (276 Exchange Street S). MCCORMICK was contacted after the call to see if there was any additional information. MCCORMICK stated that he did not have any additional information and did not see anything but only heard the sounds and thought that it was too early for construction crews to be working.

As we were driving into the area I could see a flashlight inside of the front door of the address. The address looked as if it was under renovation and as if no one was living at the address. Officer began walking around the address and Officer Heuer located a broken window on the southeast corner of the address. Five juveniles that were "Urban Exploring" at the address were called out and taken into custody. See his report for more information.

INCIDENT REPORT

SAINT PAUL POLICE DEPARTMENT

Prior to the juveniles exiting the address, I heard the exterior door on the west side of the address open and close. No one came out of the door, but I remained on the west side of the address holding the door. Officers eventually entered and cleared the address from any other occupants. No one else was located. It also should be noted that there were no damages to the inside of the address located by police other than the exterior window on the southeast corner.

I contacted Ramsey County Dispatch to have them send out a board up crew to have the window that was broken covered.

See original and other supplemental reports for more information.
