Thank you Frances. I am still going to need more information on this one. Can you send me the following information for Q1 2022:

- Itemized breakdown of invoice
- Payment history
- Contact with property owner
- Dates of vacation holds

Thank you!

Hello,

Customer had a vacation hold from Feb – June 20, this being said the customer still owes the amount for January service and then for June 20 till July 31st that they canceled the service completely because of the sell.

Please let me know if this makes more sense.

Thanks

Frances

Thank you Frances. I am still confused. If the vacation hold was in place during Q2 2022 until June 20, 2022, and the property owner was getting a credit for a service hold, why was there a charge in the first place? It feels like any amount that they would have been charged from 6/20/2022 - 6/30/2022 would have been erased by a credit from the previous quarter.

Best,

Clare Pillsbury

Good Morning,

Q2 2022: Previous owner Daniel R Zigmund...

- Billing: \$29.02 + \$4.35 = \$33.37 (The bill is so low because the costumer was on vacation hold for Q1 so the credit was applied to Q2)
- Size: 60gal
- Payment: \$0.00
- Contact:
 - 6/20/2022: Remove the vacation hold early because selling the house effective 6/22/2022

Q3 2022:

- Billing: \$98.67 - \$64.37 (cancelation effective 7/31) = \$34.30 + 3.44 (late fee) = \$37.74 Currently owing for June 22 – July 31
- Size: 60gal
- Payment: Nothing currently
- Contact:
 - 7/11/2022: Called to cancel the account effective 7/31/2022
 - 8/2/2022: Called to get the balance on the account

Thanks

Frances
