Sir and Madam,

Please take notice that the taxpayers listed on the attached schedule object to the proposed imposition of 2016 Street Right of Way and Above Standard Lighting Assessments on their St. Paul properties that will be considered by the City Council on October 5, 2016. This notice is based on the grounds outlined in the recent Supreme Court opinion in *First Baptist Church of St. Paul, et al vs. City of St. Paul*, (A15-0015) and my memo to you dated September 29, 2016.

In addition, you should take this to be a formal notice of objection to the 2016 Street Right of Way and special lighting and storm water assessments on behalf of all assessed property owners in the City of St. Paul as a class. This objection is based on the fact that no members of that class have been properly assessed in light of the requirements set forth by the Supreme Court in the aforementioned case.

Yours very truly,

John G. Hoeschler
