Subject: Asking for your support for People, Incorporated

Councilman Stark,

Thank you for your work on behalf of Ward 4 and the City of St. Paul. I am writing to request that you support the staff recommendation to rezone 1784 Lacrosse Avenue so that a very important service for people with mental illnesses can locate there.

I know too well the need for accessible mental health crisis services as I have lost two brothers to suicide as a result of mental illness. Our community and our friends and families need your support to bring this important, effective program to this area of St. Paul.

Thank you!

Mary
