SECTION 1. PARTIES. This Agreement is entered into between the Board of Education, Independent School District No. 625, Saint Paul, Minnesota, hereinafter referred to as the Board, and Minnesota Teamsters Public and Law Enforcement Employees Union, Local No. 320 (certified in Case No. 81-PR-268-A on December 5, 1980, by the Director of Bureau of Mediation Services as the exclusive representative), hereinafter referred to as Local No. 320, pursuant to and in compliance with the Public Employment Labor Relations Act of 1971, as amended, to set forth the terms and conditions of employment.

SECTION 2. PURPOSE. The purpose of this Agreement is to promote orderly and constructive relationships between the Board, the employees of this unit, and Local No. 320.

ARTICLE 2. RECOGNITION

SECTION 1. The Board recognizes Local No. 320 as the certified exclusive representative for the following unit:

All food service personnel in the titles contained in this Agreement who are employed by Independent School District No. 625 and who are public employees as defined by PELRA.

SECTION 2. The Board agrees that as long as Local No. 320 is the exclusive representative in accordance with the provisions of PELRA, and as certified by the Bureau of Mediation Services, State of Minnesota, for all personnel defined in Section 1 of this Article, that it will not meet and negotiate with any other labor or employee organization concerning the terms and conditions of employment for this unit.

ARTICLE 3. CHECK OFF, FAIR SHARE

SECTION 1. The Employer agrees to deduct the Union membership initiation fee assessments and once each month dues from the pay of those employees who individually request in writing that such deductions be made. The amounts to be deducted shall be certified to the Employer by a representative of the Union and the aggregate deductions of all employees shall be remitted together with an itemized statement to the representative by the first of the succeeding month after such deductions are made or as soon thereafter as possible.

SECTION 2. The Employer agrees to deduct voluntary contributions from the Union membership for the National Teamsters D.R.I.V.E. fund from the pay of those employees who individually request in writing that such deductions be made. Such deductions shall be made once each month and remitted to the Union.

SECTION 3. Any present or future employee who is not a Union member shall be required to contribute a fair share fee for services rendered by the Union. Upon notification by the Union, the Employer shall check off said fee from the earnings of the employee and transmit the same to the Union. In no instance shall the required contribution exceed 85 percent of the Union membership dues amount. This provision shall remain operative only as long as specifically provided by Minnesota law.

In the event there is a change in the law permitting the Union to assess an amount in excess of 85 percent of regular membership dues, the full amount permitted by law may be assessed by the Union.

SECTION 4. The Union will indemnify, defend, and hold the District harmless against any claims made and against any suits instituted, and any orders or judgments issued against the District, their officers or employees, by reason of negligence of the Union in requesting or receiving deductions under this Article.

ARTICLE 12. SENIORITY, LAYOFF AND RECALL

SECTION 1. SENIORITY.

Subd. 1. Seniority, for the purpose of this Article, shall be defined as follows:

DISTRICT-WIDE SENIORITY is the length of continuous, regular, and probationary service with the Employer from the date an employee was first certified and appointed to any class title covered by this Agreement. In cases where two (2) or more employees are appointed on the same date, the District-wide seniority shall be determined by the employee's rank on the eligible list from which the certification was made.

Effective January 1, 2012, there shall be two (2) separate seniority lists. One for the nutrition service assistants and one for nutrition service supervisors. The start date in the specific classification shall be their seniority date.

BUILDING SENIORITY is the length of continuous, regular and probationary service with the Employer from the date an employee's first day of work at one specific District facility in a certified and appointed position in a class title covered by this Agreement, it being further understood that building seniority is confined to the current class assignment held by an employee. In the event an employee requests voluntary transfer and is then transferred from one location to another, the employee shall begin to accrue building seniority at the new location based on the date of assignment to the new location. In the event an employee is involuntarily transferred from one location to another (or laid off and

ARTICLE 12. SENIORITY, LAYOFF AND RECALL (continued)

recalled to a different location), the employee shall carry forward to the new assignment the seniority date held prior to the transfer.

In cases where two (2) or more employees are assigned to the same location in the same class title on the same date, the employee with the greater District-wide seniority shall be determined to have greater building seniority.

Effective January 1, 2008, building seniority will no longer be recognized as part of this agreement. In the event an employee requests to voluntarily transfer to another location, the employee will retain District-wide seniority in the classification for which the employee is currently employed. In the event additional hours become available at a given location, employees at that location shall have a right to claim the additional hours based on District-wide seniority as described above.

Subd. 2. Seniority shall terminate when an employee retires, resigns or is discharged.

SECTION 2. LAYOFF.

Subd. 1. In the event it is determined by the Employer that it is necessary to reduce the workforce, employees will be laid off by class title based on inverse length of District-wide seniority in that class title.

Subd. 2. Two (2) weeks of notice shall be given to any employee laid off.

SECTION 3. RECALL. Recall from layoff shall be in order of greatest District-wide seniority, except that recall rights shall expire after eighteen (18) months of layoff. Any employee is eligible for recall to any position in their title at any location, as long as the work hours do not exceed the employee's regularly scheduled hours prior to the layoff. Any employee who refuses an offer of recall at any location shall forfeit all further rights to recall.

It is understood that a recalled employee will pick up their former seniority dates in any class of positions covered by this Agreement and previously held. Employees who resign and are rehired within eighteen (18) months of leaving will return to their same step on the salary schedule and resume their former seniority dates in any class of positions covered by this agreement and previously held.

SECTION 4: Employees whose hours are reduced by more than five (5) hours per week have a right to bump the least senior District employee in their title in order to not have a reduced work schedule. Employees who are on layoff may remain on layoff if offered a position with hours that are greater than five (5) hours per week less than their original assigned hours.

- 15.6 For the purpose of this 403(b) Tax-Deferred Retirement Plan for Sheltering Severance Pay and Vacation Pay, a transfer from Independent School District No. 625 employment to City of Saint Paul employment is not considered a separation of employment, and such transferee shall not be eligible for this plan.

ARTICLE 16. COURT DUTY

SECTION 1. Any employee who is required to appear in court as a juror or as a subpoenaed witness shall be paid their regular pay while so engaged, unless the court duty is the result of litigation undertaken by the employee or the Union against the Employer. Any fees that the employee shall receive from the court for such service shall be paid to the Employer. Any employee who is scheduled to work a shift other than the normal daytime shift, shall be rescheduled to work the normal daytime shift during such time as they are required to appear in court as a juror or witness.

ARTICLE 17. DISCIPLINE AND DISCHARGE

SECTION 1. The Employer shall have the right to impose disciplinary actions on employees for just cause.

SECTION 2. Disciplinary actions by the Employer shall include only the following actions:

- (1) Oral reprimand;
- (2) Written reprimand;
- (3) Suspension;
- (4) Demotion;
- (5) Discharge.

SECTION 3. Employees who are suspended, demoted or discharged shall have the right to request that such actions be reviewed through the provisions of Article 18, Grievance Procedure of this Agreement. This provision is not intended to abrogate rights of veterans pursuant to statute.

SECTION 4. PRELIMINARY REVIEW. Prior to issuing a disciplinary action of unpaid suspension, demotion, or discharge, the supervisor will make a recommendation to their supervisor regarding proposed discipline. The supervisor will then schedule a meeting with the employee prior to making a final determination of the proposed discipline. The employee shall have the opportunity to have union representation present and be provided the opportunity to speak on their behalf regarding the proposed action. If the employee is unable to meet with the supervisor, the employee and/or union will be given the opportunity to respond in writing.

ARTICLE 18. GRIEVANCE PROCEDURE

SECTION 1. This grievance procedure is established to resolve any specific dispute between the employee and the District concerning, and limited to, the interpretation or application of the provisions of this Agreement.

SECTION 2. An employee presenting a grievance may elect to be represented by an appropriate Union representative. At Step 1 or Step 2 of the grievance procedure, the employee may choose to present their grievance without being represented by a Union representative, provided, however, that the Union representative shall be notified of the adjustment or settlement of any Step 2 grievance and provided further that any adjustment or settlement shall not be inconsistent with the terms of the Agreement.

SECTION 3. It is recognized and accepted by the Union and the Employer that the processing of grievances as hereinafter provided is limited by the job duties and responsibilities of the employees and shall therefore be accomplished during normal working hours when consistent with such employees' duties and responsibilities. The aggrieved employee and a Union representative shall be allowed a reasonable amount of time without loss of pay when a grievance is investigated and presented to the Employer during normal working hours provided that the employee and the Union representative have notified and received the approval of designated supervisor and provided that such absence is reasonable and would not be detrimental to the work programs of the Employer. It is understood that the Employer shall not use the above limitation to hamper the processing of grievances.

SECTION 4. A grievance shall be resolved in the following manner:

Subd. 1. (Step 1) Any employee claiming a specific disagreement concerning the interpretation or application of the provisions of this Agreement shall, within twenty (20) working days of its first occurrence or within ten (10) working days of the time the employee reasonably should have had knowledge of the occurrence, whichever is later, discuss the complaint orally with the representative designated by the Director of Nutrition and Commercial Services. The representative of Director of Nutrition and Commercial Services shall attempt to adjust the complaint at that time.

Subd. 2. (Step 2) A grievance not resolved in Step 1 and appealed to Step 2 shall be placed in writing setting forth the nature of the grievance, the facts on which it is based, the provision or provisions of the Agreement allegedly violated, the remedy requested, and shall be appealed to Step 2 by the employee within fifteen (15) working days after the Employer-designated representative's final answer in Step 1. Any grievance not appealed in writing to Step 2 by the employee within fifteen (15) working days shall be considered waived.

If appealed, the written grievance shall be presented by the employee and the Union and discussed with the Director of Nutrition and Commercial Services (or representative designated by the Superintendent). The Director of Nutrition and Commercial Services shall give the Union the Employer's Step 2 answer in writing within ten (10) working days following the presentation. Any grievance not appealed in writing to Step 3 by the employee and the Union within ten (10) working days after receipt of the Employer's reply shall be considered waived.

Subd. 3. (Step 3) If appealed, the written grievance shall be presented by the Union and discussed at an informal meeting within ten (10) working days of receipt of the written grievance, with the Superintendent of Schools or their representative. The Employer-designated representative shall give the Union the Employer's answer in writing within ten (10) working days after the review meeting. A grievance not resolved in Step 3 may be appealed in writing to Step 4 by the Union within ten (10) working days following the Employer-designated representative's final answer in Step 3. Any grievance not appealed in writing to Step 4 by the Union within ten (10) working days shall be considered waived.

ARTICLE 18. GRIEVANCE PROCEDURE (continued)

Subd. 4. (Step 4) A grievance unresolved in Step 3 and appealed to Step 4 by the Union shall be submitted to arbitration subject to the provisions of the Public Employment Labor Relations Act of 1971 as amended. If a mutually-acceptable arbitrator cannot be agreed upon, the selection of an arbitrator shall be made in accordance with the procedures of the Minnesota Bureau of Mediation Services, if the Union so requests within the specified ten (10) days.

SECTION 5. The arbitrator shall have no right to amend, modify, nullify or ignore the terms and conditions of this Agreement. The arbitrator shall consider and decide only the specific issue(s) submitted in writing by the Employer and the Union, and shall have no authority to make decisions on any other issue not so submitted.

The arbitrator shall be without power to make decisions contrary to or inconsistent with or modifying or varying in any way the application of laws, rules or regulations having the force and effect of law. The arbitrator's decision shall be submitted in writing, copies to both parties and the Bureau of Mediation Services within thirty (30) days following the close of the hearing or the submission of briefs by the parties, whichever be later, unless the parties agree to an extension. The decision shall be binding on both the Employer and the Union and shall be based solely on the arbitrator's interpretation or application of the express terms of this Agreement and to the facts of the grievance presented.

The fees and expenses for the arbitrator's services and proceedings shall be borne equally by the Employer and the Union, provided that each party shall be responsible for compensating its own witnesses. If either party desires a verbatim record of the proceedings, it may cause such a record to be made, providing it pays for the record. If both parties desire a verbatim record of the proceedings, the cost shall be shared equally.

If a grievance is not presented within the time limits set forth above, it shall be considered waived. If a grievance is not appealed to the next step within the specified time limit or any extension thereof, it shall be considered settled on the basis of the Employer's last answer. If the Employer does not answer a grievance or an appeal thereof within the specified time limits, the Union may elect to process the grievance to the next step. The time limit in each step may be extended by mutual written agreement of the Employer and the Union in each step.

It is agreed by the Union and the Employer that, if a specific grievance is determined by this grievance process, it shall not again be submitted for consideration under any other procedure. It is further understood that if a specific matter is determined by some other procedure, it shall not again be submitted for review and arbitration under the procedures set forth in this Article.

ARTICLE 19. LEAVES

SECTION 1. APPLYING FOR LEAVES. Applications for leaves must be submitted in writing to the Director of Nutrition and Commercial Services at least forty-five (45) calendar days prior to the proposed start of the leave without pay and shall include the proposed period of the leave and purpose for the leave.

The Director of Nutrition and Commercial Services will reply to leave requests within fifteen (15) working days after they are received in the Nutrition Services Office.

SECTION 2. SHORT-TERM LEAVES WITHOUT PAY. Short-term special leaves without pay, not to exceed two (2) weeks in duration, may be requested and will be considered by the Employer subject to the operational needs of the Employer and the ability to secure substitute help to satisfactorily maintain the particular assignment of the employee involved.

ARTICLE 19. LEAVES (continued)

SECTION 3. LONG-TERM LEAVES WITHOUT PAY. Leaves of absence may be requested and are subject to approval of the Director of Nutrition and Commercial Services. A list of typical leaves is provided below. This list does not cover all possible reasons.

- Physical or mental incapacity of the employee to perform their work efficiently, where the granting of a leave will permit the employee to receive treatment enabling them to return to District service;
- Election or appointment of a full-time, paid position in an organization or union whose members consist largely or exclusively of employees of the District.
- Education or training relating to the employee's regular duties or to prepare the employee for advancement;
- Election of the employee to a District or City of St. Paul position;
- Appointment of the employee to an unclassified District or City of St. Paul position;
- Disability or injury received in the performance of duty not due to the negligence of the employee for the period of the employee is receiving compensation payments from the District for temporary partial disability or temporary total disability;
- Parental leave upon the request of the employee.

Subd. 1. For a leave of six (6) months or longer, the employee must provide written notification to the Director of Nutrition and Commercial Services, indicating their specific intent to conclude the leave and be available to return to active service as of the termination date specified in the leave. This written notification must be received by the Director of Nutrition and Commercial Services no later than two (2) months prior to the originally-scheduled date of the leave termination.

Subd. 2. Employees returning from leave will be placed in the next available vacancy in their job title.

Subd. 3. Employees who return to service under the provisions of this Section will retain their former seniority.

SECTION 4. MILITARY LEAVE. Pursuant to and within the limits of the requirements of Minnesota Statute § 192.26, employees shall be granted military leave for up to fifteen (15) days in any calendar year for required military service.

SECTION 5. FAMILY MEDICAL LEAVES. Effective February 1, 1994, leaves of absence shall be granted as required under the federal law known as the Family and Medical Leave Act (FMLA) as long as it remains in force. The Human Resource Department provides procedures.

SECTION 6. QUARANTINE/CATASTROPHIC DISASTER LEAVE. Nutrition Services employees will be provided up to a maximum of ten (10) days paid leave of absence for quarantine by a health officer due to a contagious disease. The same will be provided for a catastrophic disaster that occurs in the employee's school and/or community which causes the closure of the District or the employee's school.

ARTICLE 20. UNIFORMS

SECTION 1.

Subd. 1. The Employer will provide five (5) uniform pieces to each employee per school year. Selection and composition of uniforms is the Employer's option.

1.1 Employees who work in the Nutrition Center will be provided seven (7) uniform pieces per school year. **Effective July 1, 2012 employees working in the Nutrition Center will receive nine (9) uniform pieces per school year. Employees will have the opportunity to purchase extra pieces at the beginning of each school year.**

Subd. 2. The Employer will provide five (5) uniform pieces at start-up for new employees. Upon completion of the probationary period, the employee will be provided with two (2) additional uniform pieces.

Subd. 3. Upon promotion to a supervisory title, the Employer will provide an additional two (2) uniform pieces.

Subd. 4. A uniform piece for the purpose of this Article shall be defined as any one of the following items as designated by the Director of Nutrition and Commercial Services for that location:

- 1) shirt/tops;
- 2) slacks/pants;
- 3) aprons.

Employees will have the flexibility to select any combination of uniform pieces each school year, so long as the uniform pieces selected are part of the approved uniform for that location.

SECTION 2. An employee who has received uniforms and then terminates employment for any reason after less than six (6) full months of active employment is obligated to return the uniforms to Nutrition Services.

ARTICLE 21. MILEAGE

21.1 Mileage Allowance. Employees of the District, under policy adopted by the Board, may be reimbursed for the use of their automobiles for school business. The mileage allowance for eligible employees shall be established by the Board. The mileage reimbursement rate shall be indexed periodically to reflect the rate established by the IRS.

21.2 Reimbursement Procedures. An employee must keep a record of each trip made. Reimbursement shall be for the actual mileage driven in the performance of assigned duties as verified by the appropriate school district administrator and in accordance with District Business Office policies and procedures.

ARTICLE 22. WAGES

SECTION 1.

The pay rates shall be those described in Appendix A.

SECTION 2.

Subd. 1. Initial Placement on the Salary Schedule

When an employee is originally hired or moves from another unit into a title covered by this agreement or moves from one title covered by this agreement to a different title under this agreement, initial step placement will be conducted as described by Civil Service Rules, unless the labor agreement contains a provision describing an alternative action. The labor agreement supersedes these provisions of Civil Service Rules.

A newly hired person regularly appointed in the Nutrition Services Assistant or Nutrition Services Helper classifications will normally start at the base rate.

A newly hired person regularly appointed in other titles covered by this agreement will typically start at the Base Rate for that title.

A person appointed on a temporary basis normally will be paid at the temporary rate. The only exception is for retirees returning to work as temporary employees as described in Appendix A, Wage Schedule Conditions.

Subd. 2. Step Placement on the Salary Schedule for a Promotion

The Human Resource Department will determine the step placement for a promotion from one title in the District to a title covered by this Agreement. The step placement will be determined by multiplying the hourly rate of pay the person was receiving prior to the promotion by 1.05 (a 5% increase). The person will be placed in the new title following promotion at the first salary step that is equal to or greater than the rate calculated when multiplying the previous rate by 1.05. For example, if the person was making \$10/hr before the promotion, the Human Resource Department would multiply \$10/hr x 1.05 = \$10.50/hr. Then the person would be placed on the step in the new title that was closest to but not less than \$10.50/hr.

Subd. 3. Salary Step Progression

Progression through the steps of a salary range in this contract will be based on the following conditions:

Employees must have received an overall rating of "satisfactory" on their most recent performance evaluation to receive any salary step advancement.

Effective January 1, 2002, movement to pay columns beyond the base rate will normally occur on the first pay period following the anniversary date of the employee's appointment to a regular position in the District, providing that the employee has completed the number of years in the District required for that step.

Employees who were paid on the payroll a minimum of four-hundred (400) hours in the previous twelve (12) months shall receive a step increment on the start of the pay period closest to July 1 each year.

SECTION 3. During the term of this Agreement the Board may at its discretion unilaterally increase the pay rates provided in Appendix A, to come into compliance with the requirements of the Minnesota Pay Equity Act.

SECTION 4. RETROACTIVITY. Employees who have terminated employment with the District prior to Board ratification of the agreement, except for employees who retired and met the contractual eligibility for retiree health insurance, shall not be eligible for any retroactive salary or benefits increases that resulted from the negotiated settlement.

ARTICLE 22. WAGES (continued)

SECTION 5. CORRECTION OF COMPENSATION ERRORS. Employees should routinely review their biweekly pay check and immediately document any errors or inquiries by contacting the District's payroll department. Failure to notify the payroll department in a timely manner, or failure to routinely review the accuracy of his/her biweekly compensation may result in lost compensation to the employee.

District Authority. When underpayment errors are identified, the District will review the nature of the error and shall reimburse the employee in full up to a maximum retroactive period of two years. In the case of an overpayment, the District has the authority to deduct from the employee's check up to the full amount owed for a maximum retroactive period of two (2) years.

Procedure for Addressing Significant Overpayment Errors. In the case of a significant overpayment, deductions from biweekly compensation shall be based on a repayment schedule established by the District. The District, at its discretion, may limit the amount of repayment to less than the two (2) year retroactive period described above. The reduction of a reimbursement period will be based on the nature of the error and whether the employee took reasonable preventative action by routinely reviewing the accuracy of his/her biweekly compensation.

ARTICLE 23. DURATION OF AGREEMENT

This Agreement shall be in full force and effect from July 1, 2011, through June 30, 2013, except as otherwise specified herein, and shall automatically be continued from year to year thereafter, unless a new Agreement is developed in accordance with the provisions of the Public Employment Labor Relations Act of 1971, as amended. Intent to negotiate a new Agreement shall be indicated by either party providing written notice thereof at least ninety (90) days prior to the termination date set forth herein.

MEMORANDUM OF AGREEMENT
Post Employment Health Insurance

This Memorandum of Agreement is by and between the Board of Education, Independent School District No. 625 (hereinafter "District"); and the Minnesota Teamsters, Local 320 (hereinafter "Union"), exclusive representative for nutrition services personnel. It is entered into for the exclusive purpose of setting forth a sunset to post-employment retirement benefits for future employees.

Pertinent Facts

- Saint Paul Public Schools will qualify to levy for 2010-2011 funds to assist with the District's obligation to pay for post-employment retirement benefits if future employees are ineligible for all District contributions for health insurance premiums upon retirement.
- The 2007-2009 labor agreement between the parties contains a sunset on District contributions for health insurance after a retiree reaches medicare eligibility. The agreement does not contain a sunset for District contributions toward health insurance prior to Medicare eligibility.
- In order to qualify for the levy, the parties must agree to a sunset provision that provides no health insurance (pre- and post-medicare eligible) for all future employees. This agreement must be formalized and submitted to the Minnesota Department of Education.

Terms and Conditions of Employment specific to:

- The labor agreement between the District and the Union establishes all of the terms and conditions for retirement benefits, and its terms are not voided or diminished for any current employee by any supplementary provision herein stated.
- The amendment herein stated pertains only to future new employees.
- The parties agree to add the following language to Article 13, Section 2, Subd. 1.1 Retirement Health Insurance, of the 2009-2011 agreement:

F. Employees hired on or after January 1, 2014 will not be eligible for any District contribution toward health insurance upon retirement.
- The District will request an Attorney General's opinion on the necessity of the January 1, 2014 sunset provision set forth herein. In the event the Attorney General's opinion determines such sunset provision is not necessary in order to qualify the District to levy under M.S. 126C.41, Subd. 2(b), this agreement is null and void.

Duration

- The parties agree to add the following language to Article 13, Section 2, Retirement Health Insurance, add Subd. 5.2 to the 2009-2011 agreement:

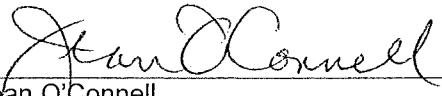

Employees hired on or after January 1, 2014, shall be eligible for \$200 per year employer match in addition to the match amount provided in this section for employees hired after January 1, 1996.
- The District will request an Attorney General's opinion on the necessity of the January 1, 2014 sunset provision set forth herein. In the event the Attorney General's opinion determines such sunset provision is not necessary in order to qualify the District to levy under M.S. 126C.41, Subd. 2(b), this agreement is null and void.
