

3/26/13

Daphne Lundstrom
Assistant City Attorney:

On the day I received the citation for selling tobacco to a minor, on 3/14/13, it was my first day/hour back from medical leave. I had 2 surgeries and have been diagnosed with bladder cancer and was on medication that day.

I did check his ID, but the '1997' looked like a 1991 to me. I did not intend to sell to a minor, but I did on accident and am very sorry.

I have been out of work for 6+ weeks due to my recent diagnosis and surgeries.

I have a family of 5 that I am trying to care for with not much income.

I cannot afford this ticket and am asking that it be dropped. I am requesting a public hearing in hopes this can be dropped.

Thank You.
