## **510 Brunson Hearing**

City St. Paul Hearing

June 18, 2019

### **Basement egress or 2<sup>nd</sup> exit**

Concern or issue- vandalism as windows are ground level high and have been broken into the past. See pictures...

### **Event/conference room – Double Door**

Previous General Contractor submitted plan for review and was approved. Double door can not swing out to hallway as outside walls would restrict from opening all the way. See pictures...
