Ms. Johnson,

Sorry for the delay of this email.

We have reviewed the file and found the demolition permit on file with DSI, inspector office. Ms. Moermond will recommend the appeal denied; however, there will be no action taken since a permit has been pulled. The demolition of the garage will be considered compliance once the permit is closed.

This will go before the City Council today at 3:30 p.m. in Room 300 City Hall. You don't need to attend at this hearing.

Greetings:

Please be advised that I am withdrawing my appeal in this matter. I have obtained a demolition permit and have contracted to have the garage demolished. The contractor expects to be able to complete the work this week or next.
