Dear Marcia Moermond,

Thank you so much for your help and understanding. I have been working diligently and non-stop, although the record setting cold and snow has made it extremely difficult. It is the worst time of year for all this to snowball, excuse the pun. I reached out to several organizations, family, and friends. Thank God and all good forces together for some financing. I am happy to say we have a plan to deal with the yard, specifically, first and foremost the tires.

As mentioned in the hearing, I have taking charge and am making executive decisions, with all due respect to my dying father and absent family members. I am not going to Mississippi to tend to him nor anywhere else until this is resolved. We will get this done. I have contacted several outfits that deal with these types of emergency situations. I entered into an agreement:

Auction Masters
19150 Territorial Road
Osseo, MN 55369

Owner/Auctioneer Greg Christians
763-428-2271

They will be handling the removal, sale and/or disposal. Jaque Movers will begin Thursday, December 23, 2016. They will be done January 13, 2016, due to Holidays and scheduling.

Thank you again for working with us through these difficult times.

Please let me know if you need anything else.

Ken Hamblin
