My name is Michael Martin. I live at 704 Delaware Ave, Saint Paul 55107. My this is my only means of communication, it is a flip phone. I have no computers or any other electronic stuff. This is about an appeal about the seal coating that was done a few years ago. Up to this point I've been making monthly payments to the City on the over \$700.00 in assessment fees that was assessed. I think I got it down to a little over \$200 right now. What I want to do is I want to appeal the assessment in the alley I live on the corner of Delaware and Page. I have no problem paying the fees for Delaware and Page, but I've been living here for over 40 years and I've never used the alley. I don't need access to the alley, I don't need the alley. I've never needed the alley. My garage faces Page Street. My trash and recycle are put out on Page Street, never in the alley. I don't feel that it's fair that I have to pay for the alley assessment. I'm even willing to take pictures and bring him down to City Hall, send them to show you where my garage is in reference to the alley, and my trash and recycling. I would do anything to state my case. I'd like to see that \$217.50 go away on the assessment. In fact, if it did, I think I would owe less than \$50 in assessments. I have been paying on it every month for I think a year. My number is 651-269-XXXX. Thanks for listening, hope to hear from you soon.
