Ms. Moermond,

I understand that you can not guarantee that the public hearing before the Council will be able to be on February 1, 2012.

I am requesting that you do what you can to have that part of the process happen on the 1st. If you are able to make a recommendation on the January 10, 2012 please schedule the public hearing on Feb 1, 1012. If you need additional information and an additional hearing please try to have that on Jan 17, or 24 so that it may go onto the agenda Feb 1, 2012.

Thank you and please print this email and add it to the record and respond that you have received this communication.
