**Background**

Since 2009, the HRA/City has received \$31.0 million through three rounds of Federal NSP funding as follows:

- NSP 1 funds: \$10.6 million; one-half of the funds had to be expended or obligated by September 13, 2010; the balance has to be expended by March, 2013. (The 9-13-10 spend-down requirement was met.)
- NSP 2 funds: \$18.03 million; one-half of the funds had to be expended or obligated by February 20, 2012; the balance has to be expended by February, 2013. (The 2-20-12 spend-down requirement was met.)
- NSP 3 funds: \$2.8 million; one-half of funds need to be expended by February, 2013; the balance has to be expended by February, 2014.

The property located at 695 4<sup>th</sup> Street E. was purchased on March 30, 2009 under the Invest Saint Paul Program (ISP) Initiative approved by the HRA on August 8, 2007 by Resolution 07-08/08-3. HRA had approved numerous actions under ISP including the strategic acquisition and rehabilitation of single family homes as a component of the program's holistic approach to neighborhood revitalization. This property is a two story, 1,653 square feet and has 3 BD/2 BA; it was built in 1899. The HRA purchased the property for \$19,575. The range of rehabilitation costs for all completed ISP/NSP projects has been between \$87 and \$219/square foot, which considers all rehabilitation requirements, energy efficiency and curb appeal. The range of sale

prices has been between \$67 and \$144/square foot. See the financing structure below for a breakdown of gap/subsidy, assistance and estimated program income.

The sale of this and other ISP/NSP homes will generate program income that will be recycled and used to fund like activities.

See **Attachment B – Marketing Process and Procedures/Homebuyer Incentive Program** for more information on ISP/NSP fair marketing efforts.

### **Budget Action**

No ISP or NSP-related budget action is being requested. The City Council took necessary NSP budget actions on November 19, 2008 (Resolution 08-1270), January 28, 2009 (Resolution 09-103) and February 6, 2013 (Resolution 13-32); HRA took necessary actions on February 25, 2009 (Resolution 09-02/25-6) and February 13, 2013 (Resolution 13-198). All actions identified the eligible funding activities approved in the Neighborhood Stabilization Program.

### **Future Action**

No future action will be required. Once the HRA takes action approving the sale of the property, staff will proceed to schedule a closing and convey the property.

In addition, the purchaser will be using mortgage affordability assistance provided by the NSP Homebuyer Assistance Program.
