Ms. Zimny,

Thanks for your response.

As an essential worker in the front lines, I'll need to wait until we're through this lockdown period and things begin to re-open (and when my work settles down).

Thanks for understanding!

Anna

Ms. Botz,

Right now they are still figuring out what the Council's status is in conjunction with the Governor's orders and figuring out plans to comply with social distancing, etc. So as of now your Public Hearing will still be the date listed below. Staff will contact you prior to that Wednesday with an update to whether this will be in person, or if still holding remote hearings, a date your hearing will be continued to as you wish to testify in person.

Thank you,

Joanna

Hello Joanna,
I won't be available to do this online and will wait until the lockdown ends to do this in-person.
Thanks!

Ms. Botz,

This email is to follow up on the voicemail(s) Legislative Hearing officer Marcia Moermond left you last Thursday, April 30th regarding your appealed tax assessment for garbage hauling services at your property. Attached is a copy of your last appeal, including the minutes that went before City Council and will be attached to the file for this current assessment. If you have any additional comments you would like to add for the record, please send them to me and I will make sure that they are attached to the record.

Ms. Moermond recommended approving your assessment, which will go before Council on May 27th. Likely this will still be a remote council meeting due to the pandemic so as mentioned above, any additional comments to Council can be done by sending them to me, or you can leave a voicemail to be transcribed at 651-266-6805.

Please let me know if you have any questions,

Joanna
