Hello Keith,

Thank you for reaching out to the city of Saint Paul about your garbage bill. Our records indicate you had extra bags out on (INSERT DATES HERE), which resulted in the charges you see on your invoice. Extra bags are \$4.00 each, plus taxes and fees. If garbage bags are present in or next to your cart, it is not possible for us to remove the charges. If you believe there was an error, please respond to this email.

**Please note extra bag fees are applied whenever the lid is open by six inches or more; and large overages or oversized bags will count as more than one bag.

Please let us know if you have any additional questions.

Thank you,

Jillian
