Hello, my name is Adam Lindberg. Last name is Lind as in Delta B as in Bravo erg. Calling from 12:58 Avon St. North St. Paul, MN 55117 My phone is 651-341-2507. This is regarding parcel ID 232923430116. I am calling to voice my objection to this measure, principally because insufficient information has been provided as to what it entails, and the price relative to this dearth of information is too high. And I don't think that it's a wise investment, at least not without further information. Someone would like to give me a call back, that would be great. I've tried on a few different occasions to reach the city to get additional details, but that hasn't worked out. So to the extent that I have a vote, I would ask that the vote be no. Thank you.
